

EXPRESS WALK-OFF

Should you choose to disembark early, NCL America offers a convenient **Express Walk-Off** option. You may leave the vessel at approximately 7:30am, **if you carry your own luggage**. Please keep in mind that you should NOT put luggage tags on your luggage, you should NOT put your luggage outside your hallway tonight, and you SHOULD be able to carry your own luggage, as there will be no available staff to assist you. An announcement will be made in the morning when we are ready to begin Express Walk-Off, at approximately 7:30am.

LUGGAGE HANDLING GUIDELINES

Luggage tags will be available for pick up on Saturday in the Aloha Atrium on Deck 5. Please remove any old tags from your luggage and replace them with the new NCLA luggage tags. Please place a luggage tag on your carry on bags as well. Before you retire for the night on Saturday evening, place your luggage outside your stateroom, **no later than 1:00am Sunday morning**. Remember to keep all travel documents, I.D., medication, valuables, breakable items and liquor with you as carry on hand luggage.

DISEMBARKATION

Disembarkation announcements will be made according to colored luggage tags. Please do not disembark the vessel until your luggage tag color has been announced, as your luggage will not be ready to claim yet. Once your colored luggage tag has been called, you may proceed to the Gangway located on Deck 5, Midship. After disembarking the vessel, you would need to claim your luggage at the pier terminal, with the exception of those guests with a post cruise hotel package. We encourage you to be sure that you have all your luggage pieces with you when you leave the terminal.

Luggage tag colors will be called in the following order. Please note disembarkation times are tentative. All guests on shore excursions please meet in the Stardust Lounge at the time printed on your shore excursion ticket.
